

PEACE AND QUIET NOW

The Trouble Over Street-Car
Strike Seems Ended.

HOLD PUBLIC MEETINGS

Strikers Are Arranging for Several.
Six More of the Old Men Again
at Work—Getting a Reli-
able Force.

The street railway strike, inaugurated
six weeks ago last Tuesday, is now ended,
so far as the operation of the cars with-
out molestation is concerned. The strike-
ers' organization still holds firmly, with
no word of declaring the strike off, but
day by day a few desertions are reported,
and the financial support of the strikers
is gradually decreasing.

The cars were operated over all lines
yesterday without molestation of any
kind. Travel was larger than the day
before, and especially at night. The
aqueduct at the Reservoir was reopened
and is doing a fair business. The crowds
at the Reservoir in the afternoon are not
equal to the normal at this season, but in
the evening the attendance is very much
better. One of the conductors stated last
night that he had carried out about forty
persons to a trip, and on the return trip
early in the evening he had eleven fares.
The weather was pleasant, but in the
evening the attendance is very much
better. One of the conductors stated last
night that he had carried out about forty
persons to a trip, and on the return trip
early in the evening he had eleven fares.

Yesterday six more strikers signed up
with the company, and the applications
of two more are under consideration.
Those signed yesterday are Conductors
W. H. Flynn, H. B. Bowman, J. E.
Dennis, and M. J. Ellett. W. T. Jones,
a well known old conductor, recently em-
ployed at Roanoke, returned to work
yesterday, having signed up the day be-
fore. He stated yesterday afternoon that
he was not taking any one else's place,
but merely taking his own.

The strikers are making preparations
for several public meetings to awaken in-
terest and sympathy. One of these is to
be held at the Lyceum Hall, in Manchester,
to-night, when addresses will be made
by Messrs. C. M. Wallace, Jr., M. L.
Spotswood, D. L. Toney and others. Efforts
are being made to hold a mass meeting
at the Lyceum Hall, on Friday night, to
be addressed by local speakers. Secretary Tyler, of Di-
vision No. 152, said last night that the
men hoped to arrange a great meeting
for the coming week, and that music
for some date not far in the future, and
at which voluntary speakers would make
addresses.

KEPT AWAY BY HEAT.
The meeting of the Board of Directors was
rather poorly attended last night, possi-
bly owing to the oppressive heat and to the
fact that it was understood that the
stockholders of the automobile bus com-
pany would hold a business meeting at
the same time. The meeting was adjourned
until the next week, when the stock-
holders of the enterprise were expected.
When the business portion of the meet-
ing closed, Mr. Cantrell, a well known
local Socialist, made an address of half
an hour, in which he urged the stock-
holders to support the strike, rather than
daily income of the average workman
with those of the President of the United
States, of Messrs. Rockefeller, Morgan,
Schwab and others, and impressed the
inequality of conditions. He urged the
ordering of militia to prevent men
from maintaining their rights, and de-
clared that if the men lost this strike
they would soon be working twelve
hours for a dollar-forty cents, and that
the all organized labor would be
weakened by the defeat of the
men in this struggle. He urged the
men to elect their own representatives
in the Legislature in order that they
might secure legislation favorable to
the laborer rather than to capital and
against them. In concluding, Mr. Cantrell
announced his willingness to address
every labor organization in this city to come
to the support of the strike, and that he
was ready to do so at any time, rather
than spasmodically and at long intervals.
The meeting soon adjourned, at 10
o'clock, was declared adjourned.

GETTING RELIABLE MEN.
The Passenger Power Company is
steadily weeding out incompetents and
the untrustworthy, and filling their
places with reliable men. The number
of those living in barracks is fast
decreasing, and the all organized labor
will be weakened by the defeat of the
men in this struggle. He urged the
men to elect their own representatives
in the Legislature in order that they
might secure legislation favorable to
the laborer rather than to capital and
against them. In concluding, Mr. Cantrell
announced his willingness to address
every labor organization in this city to come
to the support of the strike, and that he
was ready to do so at any time, rather
than spasmodically and at long intervals.
The meeting soon adjourned, at 10
o'clock, was declared adjourned.

SUGAR BILL
Passed to its Second Reading in House
of Commons.

(By Associated Press.)
LONDON, July 29.—The House of Com-
mons to-day passed the sugar convention
bill to its second reading by a vote of
221 to 141.

In the course of the debate upon the
bill Colonial Secretary Chamberlain, in
defending it, said:
"I have to tell you we have tried to
secure the voluntary abandonment of
bounties. It was only when we changed
our policy and suggested retaliation that
we secured the object for which we had
struggled so long."

Mr. Chamberlain said he believed the
bill would not increase the price of sugar,
but, by giving greater stability and cer-
tainty to the iron and tin trade, would
benefit the West Indies. Referring to the possibility

EXPECT A ROYAL GUEST

Admiral Cotton's Squadron Feted by
the Portuguese Monarch.

(By Associated Press.)
LISBON, PORTUGAL, July 29.—King
Charles is expected to visit the United
States European squadron on Saturday.
The reception accorded to Rear Admiral
Cotton and the other American officers
by the King and Queen Amélia at the
royal castle at Cintra (fourteen miles
from Lisbon) Monday was most cordial.
Admiral Cotton, while at Cintra, visited
Queen Maria Pia, mother of the King,
and the Duke of Oporto, brother of His
Majesty.

There were two hundred and fifty
guests at the banquet given at the min-
istry of marine last night in honor of the
Americans and at which all the cabinet
ministers were present. Admiral Cotton,
who was greeted with cheers, made a
speech, during which he eulogized Portu-
gal and thanked the officials for their
reception accorded to the American
warships.

Admiral Cotton and his officers will
entertain a large number of Portuguese
ladies at a reception on the Brooklyn
Avenue 4th, and Miss Bryan will give
a garden party August 5th.

YOUNG CORBETT WINNER

Jim O'Neill Goes Out in the Fifth on a
Terrific Punch.

(By Associated Press.)
PHILADELPHIA, PA., July 29.—
Champion "Young Corbett" knocked out
"Jim" O'Neill, of this city, in the fifth
round to-night at the National Athletic
Club. The fight, which lasted three
rounds, was a terrific one, and the
champion's punches were felt. In the fourth
round Corbett three glancing blows on the
jaw and was about to deliver a fourth,
when Corbett dropped to his knees to
avoid it. This gave the local man
confidence in the fifth round, which
proved fatal for him. He met Corbett's
punches, and, in an unguarded
moment, he received a terrific right-hand
punch on the jaw, which sent him to the
floor and he was counted out.

MEET IN MANCHESTER

Gathering in Interest of the
Strikers.

ALL QUIET LAST NIGHT

No Disorders Reported from Any Point
on the Lines—Cases in the Mayor's
Court—Much Interest in the Po-
litical Situation—Personals.

Manchester Bureau Times-Dispatch, }
No. 1102 Hill Street, }
A mass meeting in the interest of the
strikers will be held to-night in Leader
Hall under the auspices of Division 152.

In every respect the meeting will be
modeled after that held recently in the
Academy of Music in Richmond. It will
be designed to elicit expressions from
the community concerning the merits of
the controversy between the company and
the men. Mr. Charles M. Wallace, Jr.,
will speak again on "Arbitration," and
Colonel M. L. Spotswood, Mr. D. L.
Toney and several others will be on the
list. It is stated that a lawsuit will be
brought against the company on the basis of
the relation between the employer and the
employee.

There will probably be something said
about the auto-bus scheme. Whether or
not the strikers contemplate an attempt
to run automobiles in Manchester, too,
cannot be said.

ALL QUIET AGAIN.

So far as could be gathered all was
peaceful and quiet in the city and the sur-
rounding territory last night. There were
remarkably few stones and torpedoes, if
any at all. At a late hour at night
there was a report for the officers of the
company at Seventh and Perry Streets
had heard.

There seems to be no further danger of
disorder on the south side of the river.
In fact, to the ordinary observer, it is
scarcely perceptible that there is any-
thing unusual going on. Traffic has about
reached its normal stage.

THE FIELD OF POLITICS.

Great interest is taken in the political
situation. Three candidates for the Legis-
lature have been announced and are
widely known. It is understood upon ex-
act authority that Judge W. J. Clifton
has decided to withdraw from the
race for the Senate, and to retire perma-
nently from politics that he may devote
his entire time to the practice of law.
Among the candidates for the House are
Messrs. W. B. Baker, of Chesterfield,
and D. L. Toney, of Manchester. It is
said that Mr. Carter H. Harrison, of
Powhatan, will run for either the Senate
or the House.

COURT AFFAIRS.

In the Mayor's Court yesterday morning
Carter, the umbrella mender, was ad-
vised to take himself and his wife back
to New York, from which place, he says,
they walked here.
Henry Porter (colored), disorderly, was
fined \$5. Sam Hague (white), drunk, \$5.
Avery, charged with assault on a woman,
fined \$10. W. T. and W. H. Cole, horses
running at large, \$1 each. Elvira White,
ordered to appear before his Honor to-
day and explain why she emptied gar-
bage in an alley.
Jim Owens will be before Judge Cheat-
ham to-morrow on the charge of assault-
ing Motorman Lassiter. It is alleged that
the assault occurred in Swansboro.
